

## Uberti 1873 Sporting Rifle/Shotgun .44 - 40 Shotgun

£ 1,000

### Description

This is a Uberti .44.40 lever action SHOTGUN. This gun was amongst a handful made as smooth bore shotguns. This gun only takes 3 cartridges, 1 in the chamber and 2 in the magazine and falls under Section 2 Shotgun and can be purchased on a standard shotgun licence. There are probably only a handful of these in the country and are ideal for collectors who don't want the hassle of owning them on Section 1 licences. Great opportunity to grab an incredible unusual firearm.
