

Royal Merlin 12 Bore/gauge Side By Side

£ 600

Description

This is a Royal Merlin 12 gauge side by side shotgun. These were imported by Gunmart in the late 70's. All of these guns were finished to a very high standard with fully engraved side plates and jewelled actions. These guns are auto-eject and have a hinged front trigger and an auto safety. This gun has had one owner since new, bar a few walked up days and has had very little use.
