

Harrods Ltd 20 Bore/gauge Side By Side

£ 1,400

Description

This is a Harrods Ltd 20 bore box lock side by side. This gun is a non-ejector double trigger with automatic safety. This gun was made for Harrods Ltd and as such shows refinement and prestige as would be expected of such a gun. At some point in its past this gun has been sleeved and as such is in fantastic useable condition. The gun is engraved Harrods Ltd on the top rib on both sides and includes the original unmarked gold insert. The bluing on this gun is near perfect and the action is very tight indicating that it hasn't had much use. This would make a fantastic addition to anyones Game day collection.
